EDGEWATER, MARYLAND

MESSAGE FROM THE Exalted Ruler

“Far and away the best prize that life has to offer is the chance to work hard at work worth doing.” Theodore Roosevelt
You will find passion and inspiration if you are doing what it is you feel you

were meant to do. Life is way too short to spend more than 1 minute on something you are not passionate about.

PEP: Promote Elk Passion, Michael Smith GER. I would like to thank all the members who have been coming forth to do their part in whatever way that might be. There have been many people stepping up to join committees, others asking how they can help, others jumping right in, and some taking a new approach rather than the routine. **I would like to thank everyone for coming to dinners and lunches and the events we have. I would also like to thank everyone for coming forth with suggestions and ideas.** If you think of something no matter how small, come see me. **Small ideas are the seeds.** If you see a problem, please come tell me and if you can bring a possible solution with the problem that's even better.

Our new and our long time members have been coming forth to join in and help in those areas in which they are interested. We are not turning anyone away, and I am encouraging us to utilize everyone's talents and in the areas where they have an interest. **You have to be doing something you like and feel good about. Also we want all volunteers to be thanked and feel rewarded for what they do and to always be treated with respect. When people are volunteering their time to a worthy cause or project that is a special and beautiful thing.** We've also added a few new members to the House Committee. (We can always use more).

Your PER's have been hard at work as well. For those of you who do not know, **your PER's fill in whenever needed for initiation rituals and to fill in for officers on meeting nights. They also meet quarterly and they act as advisors.** The last PER meeting was this past month and **the spirit and ideas flowing were overwhelming.** Some of the ideas entertained were: making a children's room for our family members, starting a children and teen activity night once a month, looking at a playground area or sports field or other activities to encourage family participation. Developing Membership was also discussed. So, next time you see a PER thank them for all they do. Their drive and spirit is truly shining through. **Granted these are ideas, but these are the seeds that plant our future, and so we need to plan our planting** (go over our ideas and look at the pros and cons and decide what will work), **sow our seeds, and sort out the weeds**

(being kinks or problems that come along) to **refine our garden and reap the benefits** (increased growth, increased and improved charity to our community, increased recognition, and increased quality to our membership, families and benefits).

Your House committee met and has also been coming up with ideas and joining in a team spirit. They are looking at keeping a volunteer calendar schedule so we know how many volunteers we have for our lunch and dinner times, and for any of our special events. **The more volunteers we have the easier it is, because the same people do not always have to work, and the workload is less per event when there are enough people to help.** And I state again let people know what you prefer or don't prefer if you are on the House Committee. **We will keep our volunteers happier and longer if they are doing those things they want to do.**

Your House Committee is also planning for our future events. They are also looking at raffling off another t.v. in the future. Some of the house committee and trustees took time to cleanup and spruce the outside and a few things on the inside recently. Be sure to thank them for their efforts. And thank them for all their hard work to help with lunches and dinners and events. It takes planning and teamwork to make it all happen.

The trustees have been exploring what needs to be done to improve the setting inside and out. We need to thank them for their continued efforts in repairs, maintenance and overall appearance and safety of the lodge and still being ever conscious of our budget and continuing to 'stay in the black'.

Some of our committees are going above and beyond such as “**The Investigating Committee and Indoctrination Committee** working more with new members coming on to find their interest and get them started with spirit and movement at the start. **We need to find everyone's passion and let that passion flourish.** Don't hold back. Move full speed ahead. **The spirit is here!!! It is wonderful.** I encourage everyone to continue to do so. This is the first step in us moving further forward and growing and being all that we can be and all that we want our Lodge to be and accomplish.

The Camp Barrett Annual Picnic is coming up on the 29th. Hope to see everyone there. We will have music, karaoke, food and more food and games and more games. Come have some fun with your fellow Elks from all over the state. You won't want to miss it. **The Annual Golf Tournament Fund Raiser for Camp Barrett is also coming up in June. Don't miss it.** Come out and golf and then come back to the lodge for some food and camaraderie.

For those of you that missed it, we had a nice turnout for the dinner for **Mother's Day.** Next year, we are going to look at

continued from page 1

combining a shorter ceremony with the dinner rather than 2 separate events that day. Thank you Jim McNally, Ricky Lowman, and Pat Boarman, and Jack McAdory for your help in making that event very special for our members.

Now, those of you that were not there, **missed a wonderful show and great food on May 21st**. We had a show that **centered on Paul McCartney, Johnny Cash and Elvis songs**. A good time was had by all. We had a 50/50 raffle and Cindy Bowser was the proud winner of \$137. **Earl Schellman honored us with a very special, different 11th hour Toast to our absent members that was quite wonderful**. We owe much and have much to learn from those who have come before us and have been in Elkdom for many years. Thank-you again Earl. We would like to thank **the Dove's** for filling several tables for this event, and we'd like to thank the **Red Hat Lady's** for their table and **Hope and Bill Every** (a lifetime member) who filled 2 tables. I'm sure there were others, and this just goes to show you that we're all coming together as ELKS and making wonderful things and wonderful times happen. Special thanks to Bob and Carol Riggins, Jim McNally, Bernard, the cooks and help in the kitchen, Craig Craddock, Ms. Betty, and anyone else I may have overlooked for all their hard work to make this event happen. Very special thanks to **our very own Dave Claffy** who provided the music for our entertainers and dance music for this event. Thank you Dave.

We had our **Wednesday of the month Happy Hour** and as usual it was great. Please remember that that is a time to get together with your fellow Elks and enjoy a good time.

Please give thanks to **Anthony Anzalone, who heads up our scholarship committee**. He does a beautiful job rounding up the candidates every year and getting all the winners and their families together for dinner and awards. **This past month as a lodge we had a dinner and gave out several scholarships from \$500. to \$1500 for young students to start out college**. Anthony makes a point to give them each a rose and this year he expanded that tradition to the advocate for each student. He does a tremendous job and these students all deserve this wonderful start. Please keep your eyes out for the newspaper and hopefully our Elks magazine and this horn for an article all about it. Just to show you it is a small world, one of the young ladies came back to see me with her mother after dinner; they realized they knew me previously, because they had gotten one of the puppies we recently had for sale. They were delighted with the puppy, and even more delighted that we met again under these circumstances. I had no knowledge of what students got the awards until I was there that night to present the awards with Anthony. So it is truly a small world.

In **June and July we will be having a music and steak and shrimp night**. We realize people have lots of activities in the summer so we limit our events, and this will be a time we can still get together and have a good time as fellow ELKS.

Elk of the Month is our very own Kathy Dove. Thank you Kathy for filling so many tables for us for the Elvis Show. It just goes to show you we can all help in many ways using our different talents. Bringing people together to have fun is one of Kathy's many talents. She and her husband may provide some instrument entertainment for us the next Elvis show in January 2012. Go get 'em.

May you all find your passion and inspiration!

Eagle Court of Honor for Kyle David Mewshaw

Bob Riggins (PER) and Carol Riggins (PER) announce with great pride that their grandson, Kyle David Mewshaw obtained Scouting's highest rank, the "Eagle Scout Award" on May 14, 2011.

Eagle rank qualifications are evaluated by a National Boy Scout Board of Review and the Eagle Badge is awarded at a "National Boy Scout Court of Honor". The pathway to Eagle can be described as a steep trail leading up to three peaks, the highest being that of "Eagle Scout". Officially, the trail starts with the Tenderfoot rank and continues through Second and First Class ranks. Then, the mountain climbing begins. The path is marked with merit badges leadership responsibilities, service projects, and the practice of Scouting skills and ideas. The first peak is that of Star Scout, the second is Life Scout, and finally, Eagle Scout.

Kyle earned 5 more merit badges beyond the required 21, successfully completed a Scoutmaster's Conference, and a Board of Review and was therefore also awarded the *Bronze Eagle Palm*. In closing the ceremony, Kyle added his name to Troop 422's Eagle Nest.

JUNE 2011**

Same old song, Just wrapped in a Different Issue of the "HORN". As of this writing we still have 177 members who have not paid their 2011/2012 DUES! This is quite a shock to our financial status, as your dues are an important part of our lodge budget, and at this time unpaid dues is taking the sum of **\$20,709.00** out of our expected (**ouch**) income. I will keep the message short and once again request that if you are on our **DELINQUENT LIST** Please send your dues in A.S.A.P. so we can bring our list down to ZERO.

I have sent reminder notices to all members on our current delinquent list & should anyone receive a delinquent notice, and our correspondence has crossed in the mails, of if there is a problem with my records, please call me at 410-573-0201, ext 12 so we can resolve any problems to everyone's satisfaction.

Once again thanks for your understanding, as keeping up with some 1083 plus members, can at times tax an old mans brain, and in my case there is not a whole lot of room for taxation.

Just a friendly reminder that dues, including Grand Lodge & State Assn. Fees total \$117.00 for regular members and \$37.00 for those who have been elected to Life Membership.

Free Happy Hour Buffet

To All Our Members and Their Guests:
The Elks Lodge will provide a **Free Happy Hour Buffet once a month on the second Wednesday of the month from 4:30-6:30 pm**, which is the night that we used to have the Birthday Dinners. It is our hope that our members, especially those who used to frequent the Birthday Dinner night, will join us at this time **for some hot hors d'oeuvres** and a few drinks. This can be a time to **see old friends and share stories** with each other. This will allow for **the camaraderie to continue here at the Annapolis Elks on the same evening it had for so many years.**

Hope to see all of our old and new friends here each and every month on the second Wednesday of the month From 4:30 - 6:30pm.

Next date is:
JUNE 8

provided attendance continues to support it.
House Committee Chairman Rick Lowman
House Committee Co-Chairman Vic Carbone

Organist for our lodge desperately needed:

Are any of you Members' an Organist? If you are not, do you know of a Member who is? Our lodge could surely use your time and talents as we miss organ music at our meetings, initiation and on Mother's Day, etc. Our past Organist has moved to the Carolina's and we so much need a replacement. Will you please contact me, your Exalted Ruler and I will appreciate your musical talents being brought to my attention so that once again we will have an Organist that may play God Bless America or Marching Bands or tunes to fit most occasions? Please let me hear from you. Thank you, in advance. Mary

Ladies of the Elks NEWS

Dear Ladies,

I am hoping for a sunny June after all the rain we had in May. There are so many occasions to celebrate in June: graduations, weddings, Father's Day, and Flag Day to name a few.

Our luncheon in May featuring Lucia St. Clair Robson was enjoyed by a large group of ladies. The lunch was delicious; the speaker informative and entertaining.

We awarded two scholarships this year. Thanks to Jeanie Lizer and her committee for pouring through the applications. Jacqueline Hanna of St. Mary's High School who plans to attend College of the Holy Cross in Worcester, Mass. was awarded a \$1000 scholarship and Vatekia Graves of Annapolis High School who plans to attend Stevenson University was awarded a \$500 scholarship.

Have you made your reservations for our June luncheon? The deadline is June 15.

Our June 22 luncheon is from 12:00 pm – 2:00 pm. The cost is \$15 per person. The luncheon is open to the public so invite your family, friends, etc. for a delightful afternoon. For reservations please call or email Marian Knode 410-266-6897, knode28@hotmail.com. The luncheon will feature **K&J Marketing**. All items K&J sells are \$6. This includes jewelry, scarves, pashminas, watches, wallets, etc. The menu will feature a barbeque combo: pulled pork barbecue, barbecued chicken breast, baked beans, pasta salad, ice cream pie and coffee, tea, and iced tea.

I look forward to seeing you at the luncheon on June 22 (call me) and our general meeting on June 27.

A man's children and his garden both reflect the amount of weeding done during the growing season.

Fondly,
Marian
